Now available on the **Appstore**, the collection of "In English, please" articles from June 2007 to December 2016, with audio recordings when available.

# LISTENING COMPREHENSION WORD SEARCH ATIS

Listen to the recording of some ATIS elements at [www.anglais-pour-voler.com/in-english-please](http://www.anglais-pour-voler.com/in-english-please), find the missing words in the text below, and place them in the grid. One dash is a word. Words can go horizontally, vertically, and diagonally in all eight directions. When the grid is completed, the first unused letters will spell out a well-known quote on the benefits of anticipation in many aspects of life, including aviation. Check the answer at [www.anglais-pour-voler.com/in-english-please](http://www.anglais-pour-voler.com/in-english-please).
