Listening comprehension word search

L'anglais pour voler available on

l'App Store

Available on the Appstore, the collection of «In English. please» articles with the audio recordings when available. The application has recently been updated with the articles up to May 2019, offering more than 140 pages of aviationrelated English practice right at your fingertips.

Listen to the audio file at www.anglais-pour-voler.com/iep/iep-2021/, find the missing words in the text below, and place them in the grid. Words can go horizontally, vertically, and diagonally in all eight directions. When the grid is completed, the first unused letters will spell out a well-known quote from Albert Einstein. Check the answer at the previously mentioned address.
